"STAYS DRY AND CLEANER LONGER"

Young birds keep it fluffed up easily and it is safe to use under brooders because it is fire resistant. Use for all birds for faster growth, better egg production.

- 1** **ABSORBS MORE MOISTURE** and disperses it rapidly to maintain a dry, clean, warm blanket on the floor.
- 2** **FORMS SMOOTH BED** because it is light and clean, does not bunch up to make uneven cover with bare spots.
- 3** **DOES NOT PACK** under any conditions and the smallest birds keep it fluffed up. Droppings dry and fall through rapidly.
- 4** **KEEPS BIRDS DRIER, HEALTHIER** because it absorbs more moisture, evaporates it quickly to prevent growth of mold and disease germs.
- 5** **PROTECTS BIRDS' FEET** because there are no coarse, hard or sharp materials in it. Will not pack or dry in hard lumps.
- 6** **COSTS LESS** because it stays dry and fluffy longer, less has to be added to keep a clean blanket on the floor.

THE FUTURITY ADVISORY COMMITTEE

The North Dakota Futurity has long been governed by a committee composed of representatives of the state beef cattle breed associations. The committee has been expanded to include representatives of the Swine Breeders Association, Sheep Breeders Association and the Quarter Horse Association. The responsibility of this committee has been enlarged to include co-ordination of all livestock activities for the week. These men attend meetings regularly, giving freely of their time and energy to insure the continued growth of this, the state's leading livestock show.

1961 FUTURITY

The North Dakota Bull and Heifer Futurity continues to be a powerful stimulus to breed improvement. The active participation of large and small breeders of each of the three breeds from all parts of the state indicates the acceptance of this show as the show window of the North Dakota cattle industry.

The record, listed below, indicates the balance of the three breeds that has been maintained during recent years. This year's entries are consigned by 76 breeders.

	SHORTHORN	HEREFORD	ANGUS	TOTALS
1947	79	100	79	258
1948	80	115	71	267
1949	89	104	79	272
1950	91	123	97	311
1951	57	133	77	267
1952	70	139	104	313
1953	64	108	109	281
1954	49	128	117	294
1955	62	147	80	289
1956	72	123	95	290
1957	59	116	92	267
1958	47	99	79	225
1959	65	93	108	266
1960	68	114	121	303
1961	77	126	150	353

Again as in past years due to the size of the show, the Futurity judging will start on Tuesday afternoon. The cattle in this show are always good, the competition keen, the sportsmanship fine, and the show great.

THREE PAIR CLASSES IN EACH BREED

Entries can be made at time of show. All animals must have been shown previously in regular Futurity classes:

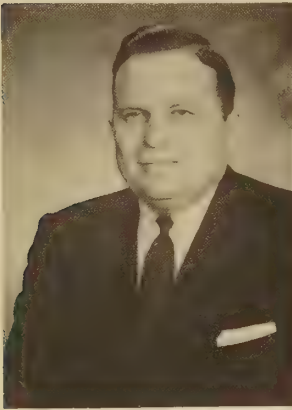

1. Pair of Bulls Class. Both animals property of exhibitor. Final entries on show day. Trophy to each breed winner.
2. Pair of Heifers Class. Both animals property of exhibitor. Final entries on show day. Trophy to each breed winner.
3. Get of Sire - Three animals by the same sire, excepting Junior Futurity entries. All animals must be bred & owned by exhibitor. Clerk is to be furnished with name and registry number of animals shown and of sire of the get.

1961 FUTURITY JUDGES

← John Gauger, the Angus judge, is no stranger to North Dakota cattlemen. He is a member of the highly respected family of Angus breeders operating under the name of Shady Lane, Clearlake, South Dakota.

Les Mathers of Leveledale Shorthorn Farm, Mason City, Illinois, returns this year to again judge the Shorthorn Division. →

← Mr. Joe Lewis, Larned, Kansas will judge the Hereford Division. Mr. Lewis, a polled Hereford breeder, Alfalfa Lawn Farms, is a popular judge of Herefords throughout the nation.

Fred S. Hultz
President →

← Returning as judge of the Junior Futurity is Ray Arthaud, Extension Animal Husbandman of the University of Minnesota.

COMMITTEE TO PICK GRAND CHAMPIONS

The interbreed Futurity Champions will again be picked by a committee of five. Serving on this committee will be John Gauger, Angus Judge; Les Mathers, Shorthorn Judge; Joe W. Lewis, Hereford Judge; Ray Arthaud, Junior Futurity Judge; and Dr. F. S. Hultz, President of North Dakota State University.

The Grand Champion Awards will be made at approximately 4:00 p. m., Wednesday, March 8th.

Each member of the committee arrives at independent decision on each Championship. Committee members do not confer nor discuss with one another the merits of the different animals. They indicate their individual choices by secret ballot. Majority vote on each championship determines the winner.

The soundness of this system of picking the interbreed Champions has been demonstrated at previous Futurities. It works not only because competent men are secured to act upon the committee but because of good sportsmanship manifested on the part of the Futurity breeders in cheerfully accepting the decisions. The interbreed championship showing has done much to foster loyalty and competitive spirit without arousing ill feeling or prejudice. Adherents of each breed are inspired to produce better and better cattle.

SPECIAL AWARDS

The American Shorthorn Breeders' Association will increase the amount of each local Futurity premium in the Shorthorn classes by 50%. The American Aberdeen-Angus Breeders' Association limits its contribution to \$750.00 and the addition to individual local premiums in Angus classes will be somewhere between 40% and 45%. The American Hereford Association, Hereford Drive, Kansas City, Missouri, pays 20% of the total premiums of \$5.00 or more offered for registered Hereford breeding cattle. The Association's share will be mailed directly from their Kansas City office. Therefore, the Hereford premiums listed on page six will be increased by 25%.

The Angus and Shorthorn Associations are making available special \$25 premiums to winners of Futurity Grand Champion Bull and Futurity Grand Champion Heifer if won by representatives of their respective breeds. In addition, the Shorthorn and Angus National Associations are making special \$15 premiums available for Futurity Reserve Champion Bull and Futurity Reserve Champion Heifer when or if won by representatives of their breeds.

The North Dakota Winter Show will award a belt buckle to herdsman from each breed, judged to be the best housekeeper. Appearance of cattle, stall and alleys will be considered. Owner Herdsmen are eligible as well as professional herdsman. Each exhibitor is to indicate who is to be considered herdsman in charge.

The Angus premier exhibit award will be given by the North Dakota Angus Association to the breeder who presents his cattle in the best possible manner.

The McGregor Memorial Trophy will be awarded to the exhibitor of the Champion Futurity Angus Bull.

The Marjoribanks Traveling Trophy will be presented to the exhibitor of the Champion Futurity Angus Heifer.

THE JUNIOR FUTURITY

The Greatest Junior Futurity Show in the World is perhaps the proper phrasing for this outstanding group. The quality of the youngsters, the quality of their calves and the zest and pride they show in their work is a tribute to the foresight of the Winter Show Board, to the breeders of the calves and to the parents that provide the opportunity for these youngsters to lay the foundation for a purebred herd of their own.

PURPOSES OF THE JUNIOR FUTURITY

1. To encourage farm boys and girls so inclined to establish the foundation for a future purebred herd.
2. To give such boys and girls competent assistance in securing high quality heifer calves.
3. To stimulate the incentive to do a good job with the calves, to secure the advantages of friendly competition, and to furnish inspiration to members and show spectators by providing for a state-wide showing of the calves.
4. To interest county extension agents, agricultural instructors, livestock breeders and others in helping members with care, feeding and breeding problems.
5. To promote better-paying cattle production in North Dakota.

RULES AND REGULATIONS FOR 1961

1. Membership in the Junior Futurity is open to North Dakota 4-H Club members enrolled in beef breeding projects, and to FFA members in good standing. Once a member, always a member until age requirements of the 4-H and FFA bar further participation. Members who have won two purple group awards in the state show are no longer eligible to exhibit anything in Junior Futurity classes except progeny from previous Junior Futurity heifers.
2. To be eligible for exhibition in the Junior Futurity state show the calf must:
 - (a.) Be a purebred Aberdeen-Angus, Hereford or Shorthorn heifer, born on or after May 1, 1959 and before May 1, 1960 eligible for registration, and bred by the member or by a North Dakota breeder, or purchased in dam.
 - (b.) Be in possession of the member by November 15, 1960.
3. Progeny from Junior Futurity heifers of past years may be exhibited.
 - (a.) Female progeny may be entered in the regular Junior Futurity classes for heifers.
 - (b.) Male progeny, born on or after May 1, 1959 and before May 1, 1960 may be entered in a special progeny bull class.
4. Members are restricted to an entry of one calf in the heifer class, unless additional entries are female progeny from previous Junior Futurity calves. In this event the one calf restriction does not apply. In the bull progeny class, no restriction on number of entries is applicable. After a progeny animal has been shown once in the state show, it cannot again be entered.
5. Entries in the Junior Futurity classes must be made by November 15, 1960 on entry forms which may be obtained from county extension agents or instructors of vocational agriculture, and are to be accompanied by an entry fee of \$1.00 per head. 4-H Club entries are to have the prior approval of county extension agents, and FFA are to have the prior approval of instructors of vocational agriculture.
6. Registration papers are to be presented by members at the time of the Winter Show at Valley City, showing that ownership of entry is recorded in the member's name only.
7. Members are expected to care for, feed and water, fit and show their own calves and to keep satisfactory project records.

PICTURES FOR BLUE RIBBON WINNERS

The North Dakota Farm Bureau, Nodak Mutual Insurance Company, The North Dakota Futurity and the North Dakota Winter Show Sales, will have a professional livestock photographer on hand to take pictures of the calves and members placing in the blue ribbon group. These pictures will be suitably framed and inscribed with the name of the winner and the record of his blue ribbon placing.

BEST STALL EXHIBIT

A sterling belt buckle will be given to the Junior Futurity exhibitor that has the best appearing stall for each breed. To be considered will be daily cooperation, neatness, decoration, cleanliness and grooming of the calf. These awards are given by the N. Dakota Hereford Assoc., the N. D. Shorthorn Association and the North Dakota Angus Association.

JUDGING PROCEDURE

The Group System of judging will be used in the Junior Futurity. The blue ribbon group will also be lined up numerically. Factors determining the groups into which each will be placed are: size for age, condition, quality, breed character, type and conformation.

Blue group calves will be those considered highly desirable for foundation stock in the establishment of purebred herds. Red group calves will be those somewhat less desirable for foundation animals, yet satisfactory for the most part. White group calves can be considered more or less wholly unsatisfactory for foundation animals. With the latter, the road to top quality breeding herds is too slow and often disappointing.

Following classification into the three groups referred to above, all blue group calves will be returned to the judging arena. The judge will then select any truly outstanding calves and these will be designated Purple group calves.

Purple group calves win the right to show in their respective age groups of the Senior Futurity without payment of entry fees. The owners of these calves are eligible to win any premium money offered in the Senior Futurity.

JUNIOR FUTURITY PREMIUMS

A total of \$500 is made available by the North Dakota Winter Show for cash premiums in the Junior Futurity. This purse is split among all exhibitors in varying amount depending upon whether blue, red or white group placings are won. In addition, each exhibitor wins a ribbon - blue for blue group placing, red for red group and white for white group. The amount of the individual cash premium hinges on the number of animals placing in each group. Thus, until the judging is complete the individual awards cannot be determined by the Futurity managers.

UNION STOCKYARDS LIVESTOCK MARKETING AGENCIES PLAQUES

Beautiful plaques will be awarded to Junior Futurity members having the Grand and Reserve Champion female in each breed and the Grand Champion bull in each breed. Only purple ribbon winners will be eligible. These plaques are being awarded by the Union Stockyards Company and the commission firms at West Fargo, namely: Central Livestock Association, Dakota Livestock Commission Company, Farmers Union Marketing Association, McDonald Livestock Comm. Co., Montgomery & Sons, Sig Ellingson and Co.

SHORTHORN TERMS AND CONDITIONS

Each animal will be sold to the highest bidder without reserve. Cow with calf at foot regarded as a single unit, unless otherwise announced.

Any disputes as to bids will be settled by the auctioneer declaring all bids off and reselling the animals. Each animal, as soon as sold, will be at the purchaser's risk, but will not be delivered until settlement has been made.

Animals sold will be fed and cared for free of charge until the day after the sale, but at the purchaser's risk and will be turned over to the purchaser or loaded on cars for shipment as he may direct.

TERMS - CASH - Unless otherwise arranged prior to the sale. Parties desiring to settle by personal check should have bank letters of credit.

All cattle entered have been tested for Tuberculosis and Brucellosis. Cattle purchased by out-of-state buyers will have health certificates to meet requirements.

GUARANTEE: All animals sold in this sale will be backed by the Standard Guarantee endorsed by the American Shorthorn Breeders' Association.

It is our policy to refrain from putting in footnotes except where pertinent information is given, as we feel it is the buyers opinion that counts. However we shall deviate from this policy on Ekco Crusader Climax as we are selling only 1/2 interest in Climax and would like to give a few facts about him and his ancestry. We do want you to stop by our stalls and inspect all our entries.

EKCO CRUSADER CLIMAX - A bull of such quality we wouldn't consider selling more than a half-interest in him. In 1959 Climax was named Grand Champion at the Red River Valley Fair in Fargo. In Grand Forks he was Reserve Champion to another of our bulls. A half-brother of Climax stood 3d in class at the International in Chicago and for \$1300. found a home in Indiana where he did a fine job. Climax is truly a bull for the purebred breeder. We are using him quite heavily.

ANGUS TERMS AND CONDITIONS

Terms of the sale are cash.

The auctioneer will settle any disputes as to bids by reselling the animal.

Each animal will be at purchaser's risk as soon as sold. Cattle will be cared for for a reasonable length of time after sale to permit ample time for removal.

Each animal over 15 months of age at time of sale is sold as a breeder, subject to the following conditions:

Breeding Guarantee: All animals are sold as guaranteed breeders. Females reported as "served" have not been bred long enough to be examined for pregnancy and are not guaranteed safe in calf. Females carrying calf on date of sale are considered breeders without further guarantee. Any animal, bull or female, that has not proven itself a breeder within six months after sale date, or in the case of younger animals within six months after they become breeding age (Bulls - 15 months, Females - 18 months), if in healthy condition, may be returned to the farm of the seller, at the buyer's expense. The seller reserves the privilege of trying, for a period of six months, to prove the animal a breeder. If proven a breeder, the animal will be returned at the buyer's expense. Should the animal fail to prove a breeder in the specified period, an adjustment will be made by the seller, either by substituting an animal mutually agreed upon as being of equal value or the refund of the full purchase price which shall be considered as full settlement and satisfaction of all claims. All complaints regarding breeding difficulties must be reported in writing by the buyer to the seller within the limit specified above. Females left for an indefinite period on the farm of the seller for the purpose of breeding, will be at the complete risk of the purchaser. The owners will employ every reasonable care and caution in feeding and handling these females but will not assume any liability arising from sickness or accident involving injury or death.

Health certificate must accompany any animal returned to seller's farm showing same health standing as when sold.

A certificate of registry and transfer will be furnished with each animal sold.

All cattle will have passed a test for T.B. and Bang's within thirty days of sale. Health Certificates will be furnished day of sale.

In case typographical errors are discovered or changes in breeding dates, etc. occur, the owners will announce such changes at the time of sale. Buyers are cautioned to make note of such announcements since such corrections or announcements will take precedence over the printed matter in the catalog.

All persons who attend sale do so at their own risk, and the owners and clerks assume no liability, legal or otherwise, for any accidents which may occur. The above terms and guarantee shall constitute a contract between the buyer and the consignor of each animal sold. The owners of these cattle are in no ways partners or an association and they jointly will not be responsible for any liabilities in connection with the cattle sold.

The above guarantees shall not apply as to calves sold at side under nine months of age or to animals shown by the purchaser after sale, but in such cases the guarantees, if any, shall be such as agreed upon between the seller and the buyer.

He is a maternal brother to one of the top bulls we sold in 1958. He is out of our Isla strain which is our top producing family. A smooth, deep, straight line bull which should make a good herd bull.

HEREFORD TERMS AND CONDITIONS

Each animal will be sold to the highest bidder without reserve. Cow with calf at foot regarded as a single unit, unless otherwise announced.

Any disputes as to bids will be settled by the auctioneer declaring all bids off and reselling the animal.

Each animal as soon as sold will be at the purchaser's risk, but will not be delivered until settlement has been made.

Animals sold will be fed and cared for free of charge until the day after the sale - but at the purchaser's risk and will be turned over to the purchaser or loaded on cars for shipment as he may direct.

TERMS - CASH - Unless otherwise arranged prior to the sale.

With cattle of this age limit, it is considered that the purchaser is more responsible for their future usefulness than the breeder and that a breeder is relieved of all responsibility after a sale is completed. However, every possible precaution is taken to eliminate individuals with any known defects, and to assure that bred females are with calf. The entire offering will be sold at the halter and any further guarantee will be between buyer and seller.

The following guarantee is recommended for the buyer and seller:

1. All claims should be submitted in writing to the seller within six months.
2. In the case of bulls, the buyer shall give the bull an adequate trial and have him inspected by a veterinarian at buyer's expense.
3. Seller shall have privilege of trying bull after his return before making any adjustments.
4. Any guarantee is void if there is evidence of improper management in caring for the animal.
5. Seller will have the privilege of replacing with an animal of similar quality and breeding or refunding the purchase price of the animal.
6. The above guarantee is between the individual consignors and the buyer of each lot. The North Dakota Hereford Association assumes no liability, legal or otherwise, but will help in every way possible to make adjustments should it become necessary.

All cattle entered have been tested for Tuberculosis and Brucellosis. Cattle purchased by out-of-state buyers will have health certificates to meet requirements.

PUREBRED SWINE SALE

Sponsored by

The North Dakota Swine Breeders Association
and

The North Dakota Winter Show

Valley City, North Dakota

HOG SALE - 3:00 P. M.

THURSDAY, MARCH, 9, 1961

AWARD MONEY

North Dakota Winter Show Special	\$200.00
North Dakota Swine Breeders Ass'n.	\$250.00
(\$5.00 per entry)	
TOTAL	\$450.00

TERMS AND CONDITIONS

1. Each animal will be sold to the highest bidder without reserve.
2. All animals must be paid for in cash on the day of the sale.
3. Animals are at owner's risk as soon as purchased in the sale ring but will be cared for until Saturday, March 11, 1961.
4. All animals will be transferred on the books of the respective Registry Associations in the name of the purchaser and without cost to him.
5. Mail order bids may be sent to the Sale Committee, Larry Iverson, Manager, Valley City, North Dakota.
6. Buyers may obtain a copy of the health certificate at no cost to them from the clerk before the animals are removed from the sale barn.
7. Breeding dates given in catalog for gilts, or as announced from the block are as accurate as the owners can provide. Claims referring to animals proving not to have been bred must be filed with the seller within one week following stated farrowing date. Gilts showing with pig in the ring are sold without recourse.
8. The North Dakota Swine Breeders Association and the Winter Show act as agents for buyer and seller only and accept no responsibility for the animals.
9. All gilts have been treated for cholera and are considered immune. The treatment used is in catalogue or will be announced.
10. All gilts sold meet all North Dakota Livestock sanitation rules.
11. Any Gilt which farrows during the show will forfeit all Premium money and will be disqualified from the sale.

GATE ORDERS

Gate orders will be issued for all animals purchased.
